

OPEN CAMPUS POLICY

One of the distinctive features of Sudbury Valley School is our open campus. Students are trusted with increasing levels of responsibility and freedom as they grow older.

Student Name: _____ Date of Birth: _____

LEAVING CAMPUS DURING THE SCHOOL DAY

Students under age 8 must remain on campus at all times.

Students ages 8–12 may leave campus only when accompanied by another student. Before leaving, they must sign out with a staff member, noting their destination and expected return time. They must sign back in when they return.

Students age 13 and older may come and go freely during the school day. They are required to sign out when leaving campus and sign in when they return.

Parents and guardians may choose to set additional expectations or restrictions for their child regarding off-campus activities. However, these arrangements are made between the family and the child and are not monitored or enforced by the school.

Please note that the Open Campus Policy does not change a student's responsibility to attend school.

SCHOOL EXCURSIONS

From time to time, the school organizes official off-campus activities known as School Excursions. School Excursions are always accompanied by a staff member and are approved through the school's established procedures.

Students under age 8 are supervised at all times during School Excursions.

Students may participate in a School Excursion only after the required permission and release forms have been completed by a parent or guardian.
